VIDASLIM TEJOCOTE ROOT

Know Your Root

Tejocote is a fruit similar to an apple that is native to the mountains of Mexico and parts of Guatemala. Due to its high pectin content, the fruit is processed to extract pectin for food, cosmetic, pharmaceutical, and textile uses. The root of the fruit is extracted and processed for consumption to help aid in detox and weight loss in micro doses.

Benefits of consuming VidaSlim Tejocote root include but are not limited to cleanse and detox of the body, removal of body fat, weight loss and improved overall health.
